

Posey® Pressure Relief Positioning Rolls

Quality Products since 1937

WOUND PREVENTION

Ideal for pressure relief and/or body positioning. May be used to deter residents from getting out of bed. Use singly for positioning of the trunk, upper, or lower extremities. Rolls tie together for whole body support in lateral or dorsal positioning.

Two types of covers available: Water-repellent, flame-retardant vinyl or soft machine washable cotton/polyester. Both "unzip" for easy washing of outer cover. Strap length is 13" long.

Filled with polystyrene beads engineered to absorb pressure, provide maximum contour for the body and positioning comfort. Meets California #117 flame retardancy standards. One pair per package.
