

Posey®

Quick-Dry Slippers

Designed for patients who need footwear to reduce the risk of falling. Nylon mesh upper dries quickly when wet and will not hold water.

Ideal for: Home Care • Hospitals • Nursing

⚠ WARNING

Always assist patient on wet or slippery surfaces. Slippers are not intended to provide stable footing on wet or slippery surfaces, such as wet or slippery floors or shower stalls. Soles should be dry before allowing patient to walk unassisted. Wet soles will not grip firmly.
