

# ARGO POWERED TOILET SEAT RISER

The electric ArGo toilet lift helps prevent falls and joint pain by helping those who are struggling to get up or down from a seated toilet position. It is the perfect solution for people who want to maintain their independence while still having the safety of a lift.

### ◆ Gentle & Adjustable Lift

With a push of a button, the ArGo will gently lower the patient onto the toilet, then helps lift them up to standing position once finished.

### ◆ Plug-In and Rechargeable

Plug in the ArGo for unlimited lifts or use its rechargeable battery if no safe outlet is nearby.

### ◆ Universal Design

The adjustable legs allow the ArGo to fit nearly all toilet bowls, ranging in height from 14 to 18 inches tall.
