

## Thank You for Choosing the Ideal Ball Storage Rack

### Included in this package:

- (1) L-shaped tube
- (1) U-shaped tube
- (2) Wall-stud mounting screws
- (2) Flathead assembly bolts

Attach the U-shaped tube to the L-shaped tube with the bolts. Mount directly to a wall-stud with the screws. A small pilot hole in the wall stud usually makes it easier to attach to the wall.

The U-shaped tube can be attached to either side of the L-shaped tube.
