Instruction Sheet

Store these instructions in a safe place or with the enclosed maintenance checklist

Bounce Disc 151151

Mini Bounce Disc 151150

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location: the Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.

MATERIALS LIST

- 1 - Bounce Pad (fully assembled)
- 1 - Instruction Sheet
- 1 - Maintenance Checklist

WORKING LOAD: 200 pounds.

MATTING REQUIREMENTS

Place Bounce Pad on appropriate floor mat or surround it with appropriate matting.

MAINTENANCE CHECKLIST

All of the following wear points should be checked on a monthly basis and recorded on the checklist enclosed.

- Check wood for splinters. If found, sand smooth and refinish with lacquer.
- Check springs for rattles.
- Check spring caps for cracks.

NOTE: If springs should ever rattle or caps should become cracked, discontinue use immediately and call Southpaw for repairs.

STORAGE PROCEDURES

- Store where not accessible by clients without proper supervision.

CLEANING INSTRUCTIONS

Check with your infectious disease department before using these procedures:

- Wipe vinyl with a damp cloth using soap and water or disinfectant.
- Dry before using.

Safety Precautions - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.

This sheet is for example only. It is not meant to, in any way, replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.
