# Instruction Sheet: Bounce Path Kit 451120

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location. The Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

**IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.**

## MATERIALS LIST:

- |                                |                                  |
|--------------------------------|----------------------------------|
| 1 - Short Straight Bounce Path | 1 - Bounce Path 90 Degree Corner |
| 1 - Long Straight Bounce Path  | 1 - Instruction Sheet            |
| 1 - S" Shape Bounce Path       | 1 - Maintenance Checklist        |

**WORKING LOAD:** 300 lbs.

## MATTING REQUIREMENTS:

Place Bounce Path on appropriate floor matting or surround it with appropriate matting.

## MAINTENANCE CHECKLIST:

All of the following wear points should be checked on a monthly basis and recorded on the maintenance checklist enclosed.

- Check wood for splinters. If splinters are found, sand smooth and refinish with lacquer.
- Check springs for rattles.
- Check spring caps for cracks.

**NOTE:** If springs should ever rattle or caps become cracked, discontinue use immediately and contact Southpaw for repairs.

## STORAGE PROCEDURES:

- Store where not accessible by clients without proper supervision.

## CLEANING INSTRUCTIONS:

Check with your infectious disease department before using these procedures.

- Wipe with a damp cloth using soap and water or disinfectant. Dry before using.

**Safety Precautions** - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use. Under no condition should this equipment be used without proper supervision.

**This sheet is for example only.** It is not meant to, in any way, replace local, county, state, or Federal standards. Be aware - it is your responsibility to find all pertinent safety information that pertains to your facility.

## Instruction Sheet:

<b>Bounce Path Carpet Kit</b>	<b>151127</b>
<b>Bounce Path Carpet Kit</b>	<b>151128</b>
<b>Bounce Path Carpet Kit</b>	<b>151129</b>
<b>Bounce Path Carpet Kit</b>	<b>151130</b>

Take time to familiarize yourself with the use and maintenance of this equipment before using. Please file this Instruction Sheet in an accessible location. The Instruction Sheet must be read and familiar to anyone who is using Southpaw Enterprises Equipment.

**IMPORTANT: Please check equipment immediately for any damage that may have resulted during shipping. If any damage has occurred, please contact Southpaw Enterprises, Inc. immediately.**

### MATERIALS LIST:

- 1 - Carpet with hook & loop
- 1 - Instruction Sheet

### DIRECTIONS:

Your carpet will have the hook sewn to the bottom of the carpet and the adhesive backed loop attached to the hook. Remove the backing from all of the loop pieces and carefully position the carpet over the Bounce Path board. Lower the carpet onto the board and press firmly on the carpet where the hook and loop pieces are attached to the carpet to secure the hook and loop fasteners to the board.

### STORAGE PROCEDURE:

- Store where not accessible by clients without proper supervision.
- Store out of direct sunlight.

### CLEANING INSTRUCTIONS:

- Check for client allergies first.
- Check with your infectious disease department before using these procedures.
- Dust or wipe with a damp cloth.
- Vacuum carpet. Carpet may be cleaned with foam carpet cleaner. Carpet is not machine washable.

**Safety Precautions** - The safety of your clients is dependent on the appropriate choice of activity to match, yet challenge their physical abilities. Use appropriate spotting / safety techniques. In addition, the layout of your activity area, proper installation and maintenance of your equipment is critical. Southpaw equipment is not intended for recreational or outdoor use.
