AUTO-LOCKING GLIDER

When Comfort is Essential

BRODA's Glider provides soothing contentment and aids in fall prevention.

- BRODA's Comfort Tension Seating® provides seating comfort & pressure redistribution.
- Smooth gliding provides relaxation.
- Auto-locking feature aids in safety & fall prevention.
- Gentle movement helps prevent wandering.
- Excellent for Alzheimer's patients

Smooth gliding, as opposed to traditional rocking chairs keeps user's eye level constant, reducing disorientation.

AUTO-LOCKING GLIDER

When Comfort is Essential

OPTIONAL ACCESSORIES:

- Padded armrests
- Depth & Height Adjustable Armrests
- Full or Half Tray
- Clear Tray

Adult High-back Glider shown with Charcoal vinyl and Grey frame

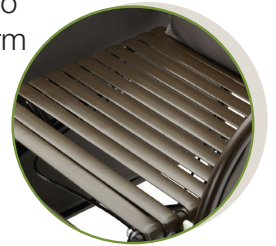

Shown with optional padded armrests

BRODA Comfort Tension Seating®

The Key to Comfort is in BRODA's Strapping! Our strapping contours to the body helping to prevent skin breakdown and provide long term sitting comfort.

- Creates air flow for heat and moisture exchange
- Memory retention allows straps to return to their original shape within seconds.

Excellent for:

- Resident Rooms
- Memory Care Units
- Home Care
- Common Areas
- Maternity Wards
