

The advantages of using the Body Solid ProDual Multi Press

Owning quality fitness equipment encourages a very important aspect of strength training... motivation that will drive you to sculpt your body to its ultimate form.

You'll have the tools to lose unwanted pounds and replace them with lean muscle mass. You'll create a workout regimen that renders fatigue a distant memory. You'll increase your endurance and achieve results with each repetition.

The Body-Solid ProDual Multi Press is packed with the features you want at a price you can afford. Best of all, you'll achieve your goals through unrestricted freedom of movement and enjoy the results of superior engineering and design.

A more defined chest
A stronger back
Well-muscled arms
