

PHS Medical
by Pivotal Health Solutions

Designed to support the busy practitioner and multiple patients, solid hardwood construction means our Essential Wood Mat Table is built for practitioner-assisted exercise and other treatments. Our 4 & 6 leg mat table comes standard with poplar on the base frame, four legs and supports with a thick plywood top construction. The mat table also features a layer of comfortable 1.5" high density foam with softly rounded corners and triple-bolted leg assembly for extra durability.

STANDARD FEATURES:

- Load Capacity: 450 lbs.
- Solid poplar hardwood frame and 4 or 6 legs
- 3/4" Plywood top
- 1.5" High density foam flat cushion
- Rounded corners
- Triple-bolted leg assembly
- ADA Compliant
- Some assembly required
