

**GIRAFFE**  
BOTTLE

## Hands Free Drinking System

🔥 Drinking tube is FDA compliant, BPA free, phthalates free

🔥 Replaceable components; easily replace the drinking tube, check valve, and more

🔥 Available in various neck lengths from 9 inch/22cm to 36 inch/92cm

🔥 Dishwasher safe; all components are dishwasher safe but hand washing is recommended for the drinking tube and modular hose

🔥 With the attached cap, the neck and tube can be removed and the bottle used as a standard drink bottle, put into the refrigerator, or available as a spare bottle ready to use

🔥 Clear bottle with ml and oz markings for hydration monitoring, easy to see when bottle needs to be refilled or replaced

🔥 Tritan 750ml/25oz Bottle; Tritan is a BPA-free plastic, it is not manufactured with bisphenol A (BPA) or other bisphenol compounds, such as bisphenol S (BPS)

🔥 Check valve prevents liquid from flowing back into the bottle; subsequent sips require less effort
