

Magic Wave®

Magic Wave is designed for relaxation. Whenever your clients want to have a rest they can relax on our beautifully designed recliner. It's special shape is comfortable and takes less space.

The massaging mat relaxes you and additionally loosens and warms up the muscles. Convenient **remote control** helps in choosing your favourite massage program. Built-in speakers let you listen to your favourite music.

In combination with Magic Sun, Magic Wave can provide you with a new level of relaxation.

Comfortable position and pleasant warmth will ease your body tension positively affecting your skin at the same time.

Magic Sun®

This standalone lamp is a great solution for every studio. It can be used for relaxation or in combination with other workout devices.

There are two models of Magic Sun:

With 7 infrared lamps - helps in skin regeneration and generates body warmth, raising body temperature.

With 7 collagen lamps - rejuvenates skin fixing its texture and color and raises metabolism.

Magic Sun maximizes the amount of burnt calories when used during an exercise.

It will work with classic workout machines (treadmills, exercise bikes) or with our other devices.
