PART NUMBERS

MAXXCARE1: STANDARD HEEL PROTECTOR

MAXXCAREB: BARIATRIC HEEL PROTECTOR

FEATURES

Soft Outer Cover provides warmth to the user's foot to improve blood flow through the foot.

NEW Longer Straps, with hook and loop attachments provide more adjustability.

Stays In Place and is comfortable for the user to wear.

NEW Non-Skid Bottom provides increased traction.

NEW Relocation of Air Cells for optimal skin protection.

Floats the Heel to remove pressure and shear force.

 **THE COMFORT COMPANY**

*DO NOT OVERTIGHTEN. THIS MAY CAUSE REDUCTION IN BLOOD FLOW OR DISCOMFORT. DO NOT USE IN CASE OF NON-REDRESSABLE DROP FOOT.
