Lowest Cost Call Button Paging System

TL-5102TP

Easy-To-Use Two Call Button Paging System!

Increased Caregiver Freedom

The TL-5102TP is a Stand Alone Personal Paging System and includes two Call Buttons and one Caregiver Pager. When pressed, the Nurse Call Buttons send a wireless signal to the pager, alerting the caregiver that assistance is required. This simple system eliminates in-room alarm noise and with a range of up to 300 feet, gives caregivers the freedom they need.

Easy Push-Button Operation

The call buttons can be worn as a necklace pendant using the provided lanyard strap or wall-mounted using the provided cradle for easy access.

Versatile Pocket-Sized Pager

The Caregiver Pager has two audible sounds to choose from and is small enough to be carried in a pocket or clipped to a belt.

Key Features:

- Insert batteries and it's ready to use
- Audible alert pager with optional tones
- Range up to 300 feet
- Lanyard Strap & Wall-Mounting Cradle included
- Batteries included (2-AA, 2-12V)

"Best thing ever!"

It enables me to do other stuff and my 80 years old mother can page me when she needs my assistance."
