

PEMI BIOENERGY SYSTEM

Specification Sheet

The FOUNDATION OF HEALTH

PureWave's PEMI (Pulsed ElectroMagnetic Induction) System supports cell revitalization and cell metabolism by targeting ion transport. The whole metabolism is activated, the immune system stabilized and cell regeneration improved, there by strengthening weakened body functions in a natural way.

PRODUCT HIGHLIGHTS

- Easy to Assemble
- Easy to use
- Portable
- Language Settings
- Auto Clock
- Digital Display
- Three Reliable Programs
- 10 Target Areas
- Durable, Quality Fabrics & Coil
- Complementary to other therapies
- Quick Results

TECHNICAL CHARACTERISTICS

Output Signal	as a maximum 3 V
Power consumption	7 W
Frequency	60/50Hz
Voltage	110-120/210-240 V
Net Weight	12 lb (full body mat, pillow pad, control unit in bag)
Control Unit weight	2 lb 3.6 in x 7.48 in x 8.46 in
Dimensions body mat	25 ^{1/2} W x 69 ^{1/2} L (h x w x d)
Dimensions pillow	13 ^{1/2} W x 21 ^{1/75} L
Water Proof Specification	IPX0

ADDITIONAL ELECTROMAGNETIC ACCESSORIES

Magnetic Headset

Magnetic Pen Probe

Magnetic Eye Goggles
