

# Portable Aluminum TREATMENT TABLE

The Portable Aluminum Treatment Table is rugged yet lightweight and functional. It comes standard with a 2" firm foam system, rounded corners, adjustable height leg system, four field feet, face rest and standard carry case. In addition, this table offers a lightweight aluminum frame, 11-layer plywood base with finger-joint craftsmanship and auto-hold hinge system. The features on this durable table clearly position it as a leader in its market space.
