

100% WELDED STEEL CONSTRUCTION

PRE-DRILLED TRANSPORT MOUNTING HOLES

PRE-FITTED FOR CART CONVERSION

100% REPLACEABLE CASTERS - 4 OPTIONS

CASTER OPTION	CYLINDER	ITEM #	CAPACITY	DIMENSIONS
---------------	----------	--------	----------	------------

4" SWIVEL CASTERS

Ideal for light-duty work in a warehouse, clinic or office setting

M6	#150-0335	15 cyl	20" x 13.5" x 41"
D / E / M9	#150-0140	6 cyl	15" x 12" x 41"

4" BOLT-ON PLATE CASTERS

Best in high-volume cylinder transport & warehouse facilities

M6	#150-0350	30 cyl	20" x 24" x 41"
D / E / M9	#150-0170	12 cyl	22" x 12" x 41"
D / E / M9	#150-0200	20 cyl	27" x 20" x 41"
D / E / M9	#150-0210	24 cyl	32" x 20" x 41"
D / E / M9 / M7 / ML6	#150-0212	24 cyl	32" x 20" x 41"
D / E / M9	#150-0220	28 cyl	37" x 20" x 41"
M60	#150-0125	4 cyl	18" x 15.5" x 41"

5" QUIET-RIDE CASTERS

Designed for hospitals, nursing homes or any facility with a noise policy

M6	#150-0352	30 cyl	20" x 24" x 42"
D / E / M9	#150-0172	12 cyl	22" x 12" x 42"
D / E / M9	#150-0215	24 cyl	32" x 20" x 42"

10" REAR WHEELS, 4" FRONT CASTERS

Rear wheel designed for transport usage

M6	#150-0355	30 cyl	20" x 13.5" x 41"
D / E / M9	#150-0175	12 cyl	22" x 12" x 41"

FEATURES

- 100% welded ASTM A513 steel supports with durable powder coat paint finish
- Designed to withstand everyday use in the harshest working conditions
- Racks convert easily into carts with handle and caster kit
- Includes pre-drilled mounting holes for secure transport
- Carts feature replaceable 4" bolt-on casters (2 swivel w/ brake, 2 rigid) - never weld a broken caster again!
- Straight handle design for cart-to-cart nesting in vehicles or warehouse

MULTI-CYLINDER DESIGN

Added stability bars allow for use with multiple cylinder sizes.

12 CYLINDER ML6 / M7 / M9 RACK & CART

#150-0310 Rack	22" x 12" x 10"
#150-0315 Cart - 4" Standard casters	22" x 12" x 41"

24 CYLINDER UNIVERSAL RACK & CART

#150-0292 Rack	32" x 20" x 10"
#150-0212 Cart - 4" Standard casters	32" x 20" x 41"

M60 WAREHOUSE & TRANSPORT

FEATURES

- 100% welded ASTM A513 steel supports with durable powder coat paint finish
- Designed to withstand everyday use in the harshest conditions
- Includes pre-drilled mounting holes for secure transport
- Carts feature replaceable 4" bolt-on casters (2 swivel w/ brake, 2 rigid) and straight handle design for cart-to-cart nesting

4 CYLINDER M60 RACK & CART

#150-0245 Rack	18" x 15.5" x 10"
#150-0125 Cart - 4" Standard casters	18" x 15.5" x 41"
