

ACUPRODUCTS

The Only Heatable Massage Products Available!

SKU: ACBM / ACBL / ACBB / ACBK

Product Description

Dr. Cohen's acuProducts are the result of a combination of clinical experience and knowledge of natural medicine from over 30 different countries. By combining ergonomic design and heatability, AcuProducts apply pressure effectively to relieve muscle tension and increase blood flow. There are three unique products available in order to effectively target specific parts of the body.
