

**VT65MLMED**

33.5" x 23.63" x 23.5" (H x W x D)

24" wide all-freezer for freestanding use capable of -25° C operation; includes audible alarm, lock, and hospital grade plug

**Highlights:**

- 25° C operation for safe storage of temperature sensitive materials
- Includes a hospital grade cord with a 'green dot' plug
- High temperature alarm includes external temperature readout
- Factory installed lock provides security you can count on

|   |  |
|---|--|
| -25°C capable                             | Low temperature capability ideal for certain sensitive items                                       |
| Factory installed lock                    | Keyed lock for secure interior   |
| High temperature alarm                    | Warns of temperature fluctuations and includes an external temperature readout on the door         |
| Hospital grade cord with 'green dot' plug | Secure three-pronged cord for added unit safety  |
| Manual defrost                            | Efficient performance with reliable temperature stability  |
| Pull-out drawers                          | Clear baskets for convenient and separated storage   |
| Access port                               | Unit comes with a factory installed probe hole for users to connect their own monitoring equipment |
| Adjustable thermostat                     | Manage the temperature with ease and accuracy  |
| Fully finished white cabinet              | Allows the unit to be used freestanding  |
| 100% CFC Free                             | Environmentally friendly design using R404a and without ozone-damaging chemicals                   |
