

THE NEW FREEDOM INSPIRE COLLECTION

Inspiring independence and modern design.

The Freedom Inspire Collection of accessible showers and pans delivers convenience and practicality with an elevated, modern design.

Aging in place is a personal choice that is possible with the right adaptations. Your space should reflect your needs perfectly and gracefully.

You will feel inspired by the collection's modern, sleek design with additional accessory and accessibility options. Your bathroom oasis can be conveniently accessible.

FREEDOM INSPIRE ACCESSIBLE SHOWERS

Experience a newly inspired shower design. Transform your bathtub or shower into your very own accessible space. Choosing an accessible roll-in shower that meets your custom needs, and complements your design style is easy with our new Inspire Collection.

The **Freedom Inspire Showers** still have the same great features of our Classic Freedom Showers including:

- Low 7/8" roll-in threshold that our customers love for easy access
- 5-piece construction for easy remodeling projects
- Available in left or right drain so replacing a bathtub is easy
- Pre-leveled and reinforced shower pan that can be installed easily on existing subfloors
- Full wood backing on the walls for installing weight-bearing accessories
- Easy-to-clean applied acrylic finish
- Textured, slip-resistant shower base

Inspire Showers are available in a choice of our most popular bathtub replacement sizes (60" x 33" or 60" x 37"), and drain location options. Customize your shower experience to your precise needs by choosing from our collection of accessory packages for water retention and safety.

The **Inspire Shower Collection** offers enhanced features and elevated design choices to improve your experience of installing and using your shower.

- Interlock base and wall design feature pieces that all snap together for a secure, waterproof fit
- Clean finish with new mold technique means even the back and edges of the shower pieces are smooth and easy to handle during installation
- Modern look of 19" x 6" subway tile design on the walls
- Choose just an Inspire Shower Pan if you plan to tile your shower walls for a truly custom design
- No-caulk PVC drain with a square, chrome finish drain plate is included with every shower and pan
- Large spacious shelving niche on the upper wall panel with an opening for a handheld shower head and slide bar
- Accepts shower doors on the barrier free threshold
- Upgraded designer accessory packages available with polished stainless-steel finishes and a driftwood gray seat

INSPIRING DESIGN AND SAFETY OPTIONS FOR AGING IN PLACE.
