

# ARTHRITIC KNEE WRAP

**THERMOSKIN**

## TRIOXON<sup>®</sup> ADVANTAGE

Exclusive Trioxon 3 dimensional lining provides heat therapy & pain relief. Soft, comfortable inner layer wicks away moisture. Middle layer helps increase skin temperature for heat therapy. Outer layer provides light compression.

Thermoskin Arthritic Knee Wrap provides pain relief from a range of conditions including arthritic knee pain, fluid in the knee joint or swollen, aching knees. The easy to use design features an adjustable wrap closure to promote user comfort and variation of compression. Thermoskin's exclusive combination of clinically proven heat therapy and gentle compression work together to bring natural relief from arthritic and joint pain.

### PRODUCT ADVANTAGES:

- Lined with the exclusive Trioxon<sup>®</sup> Advantage material for pain relief and enhanced recovery
- Clinically tested to increase skin temperature and blood flow for pain relief
- Provides light but firm compression to counteract tissue swelling
- Available in six sizes to provide correct level of support (for left or right knee)
- Universal design fits left or right knee

**SIZING GUIDE**

Measure slightly bent beneath knee cap
