WALK UPRIGHT WITH GREATER EASE

Stand tall and walk with stabilizing assistance with the Vive Mobility Series T Upright Walker. Our Series T upright walker rollator promotes a natural gait. It features a wider base for greater stability and flat-free 9.5" tires to easily navigate over most surfaces.

EASY HEIGHT ADJUSTMENTS

Set the armrests at the perfect height for you with simple locking push pins. The handle height is adjustable from 40" to 50" to promote proper posture and allow you to look forward and walk upright. The folding walker handles are equipped with contoured armrests to relieve fatigue and length adjustable hand grips with easy-to-use loop brakes to lock the wheels in place for stable seating.

WIDER, ON-THE-GO SEATING

Our Vive Mobility upright walker rollator provides comfortably padded seating everywhere you go. The stable seat measures 15" by 17" with 20" of space within the frame. Under the seat, a storage tote allows you to keep essential items close at hand.

LIGHTWEIGHT FOLDING FRAME:

Great for travel, our upright walker is foldable for easily transporting in car, truck or SUV. The walker is durable, safely supporting up to 400 pounds and is constructed with a lightweight aluminum frame that weighs 25 pounds.
