

SERIES

XE795 ELLIPTICAL

SPIRIT

The Spirit Fitness XE795 features a natural 20" stride length and narrow pedal spacing to ensure an ideal stride motion, while the oversized/cushioned foot pedals and cushioned ergonomic hand grips ensure comfort at the touch points.

The XE795 is self-powered, meaning no cords to worry about. You can place this product anywhere. The large sealed roller bearings used with the pedal arms and handlebars, along with the dual roller wheels and aluminum tracks, ensure a smooth and reliable workout. The frame has been constructed as one solid welded piece from front to back for added stability and durability, while minimizing noise.

FEATURES

- 7.5" bright blue backlit LCD screen with separate Muscle Activation Profile and HR % Profile LED displays
- Generator drive system requires no external power source
- Adjustable cooling fan and dual speakers with audio jack for comfort and entertainment
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap transmitter not included)
- Dual track system with concave roller wheels for added stability and durability

CONSOLE FEATURES

As with any product, a major importance is the user interface. We focused on making everything easily accessible and comfortable: adjustable console angle, muscle and heart rate LED profiles, tablet friendly reading rack, adjustable cooling fan, and integrated speakers with audio jack to keep you encouraged to workout longer.
